Who We Are

Spectrum Security and Allied Services Private Limited is a dedicated provider of professional security and guard services. Since its establishment in 2018, we have emerged as a reliable service providers in India, offering a wide range of tailored security services to meet the unique needs of our clients.

Our core philosophy revolves around providing "Security that goes beyond guarding," ensuring that every business we serve can grow securely and confidently. Our team comprises of well-educated, skilled personnel, Ex- Serviceman and younger staff trained top-notch security.

Our Mission

To deliver reliable, efficient, and comprehensive security services that provide best solutions to our clients, ensuring the safety and the protection of their assets.

Our Vision

To be recognized as a leader in the security services industry by consistently exceeding client expectations and setting the standard for excellence in security and guard services.

Our Goals

We aim to establish a pan-India presence and be recognized as the most trustworthy security service provider across the country. Our extensive clientele's trust motivates us to continuously enhance our services and expand our reach.

Values:

- **Integrity:** Upholding the highest standards of honesty and ethical behavior in all our services.
- **Professionalism:** Delivering services with a high degree of expertise and professionalism.
- **Reliability:** Providing consistent and dependable security solutions.
- **Customer Focus:** Understanding and addressing the unique needs of each client to ensure their satisfaction.
- **Continuous Improvement:** Committing to ongoing training and development to enhance our service offerings.

Services:

Security Guard

Well-trained and physically fit security guards are placed after all scrutiny to access their mental and physical standards. We ensure proper training for our security guards to handle emergencies and contingencies in an effective manner following security protocol. Hire security guards for your security requirement. We do background check on all our guards including psychological testing

Security Supervisor

Security Supervisor oversees guard's placed and overall security at the premises to protect your assets, people, and premises and gives you complete solutions. Well uniformed and equipped with advanced technology to give you complete resolution.

Armed Personal Security Officer(PSO)

The prime responsibility for a PSO is to provide individual protection to the principal against any possible threats. PSO is proficient in discharging his duty alone or as a part of team. Personal Security Officer provides a security cover to Individuals and Company Officials as and when required or on permanent basis. The main responsibility of our Personal Security Officer is to provide 24×7 securities from any kind of threat, and neutralize it.

Bouncer Services

Bouncers are trained to deal with critical situations calmly and patiently. They provide a sense of security and safety to people while in a party, group, event or large gathering. As a leading security services provider, we provide only Trained Bouncers to handle physical aggressiveness and verbal arguments within the criteria of security set by the organization.

Gunman Guard

We provide skilled gunman guard services. The gunmen are licensed to arms, physically and mentally stable, police verified and proactive. We provide only verified gunman guards to provide safety and security to Individual and Companies. Our security experts carefully select required gunman as armed guards before client side deployment

Assistant Security Officer (ASO)

Assistant Security Officer delivers high standard of security services, monitoring surveillance equipment, access points, patrolling premises, reporting irregularities to secure clients and its premises. We provide Verified Assistant Security Officer for safeguarding industrial facility, commercial spaces and assets.

Surveillance Room

Our monitoring team keep vigilant eye on all the systems and is proficient to operate highly advanced and technical equipment to keep strict surveillance on every nook and corner with 24 hours backup to deal with any technical glitch. Surveillance services using advanced CCTV systems and live CCTV feeds to ensure real-time monitoring and quick response. We also advise client on the set up of surveillance rooms.

Access Control

Managing access points to prevent unauthorized entry and ensure the safety of clients' premises.

Emergency Response

Rapid response services for any security breaches or emergencies.

Hi-Tech Monitoring

Utilizing the latest technology like drones for enhanced security monitoring and management.

Unwavering Commitment to Quality and Excellence

Rest assured knowing qualified professionals are handling your security concerns. Our position as a leader in the security sector stems from our unwavering dedication to quality, ethics, and expertise. Spectrum Security is on duty 24/7, protecting your assets around the clock, so you can focus on what truly matters.

Proactive Prevention: The Best Defense is a Good Offense

Spectrum Security team believes that the best security comes from prevention. We take proactive steps to minimize hazards and ensure the security and privacy of your property through careful monitoring and strategic planning.

Our Trusted Security Partner: 24/7 Vigilance

Spectrum Security team understands the critical importance of keeping your business running safely. As your first line of defense, our knowledgeable security specialists proactively take steps to efficiently repel threats and manage risks.
